\$295.00

Boudoir /Glamour or extreme theme portrait Package -

Boudoir photography is typically photography that romanticizes and celebrates the female form. It is often done as a gift to ones lover. Boudoir photography is suggestive, romantic and is often shot with the model in lingerie, semi nude or with implied nudity. Glamour is similar, but can be in most any location. Extreme theme maybe in vehicles while moving, dangerous or precarious public places etc. Make-up Artist is included and because of the extra time to plan & create a set & light it, boudoir, or any extreme portrait concept photography is more expensive than standard model or portrait photography.

All final images supplied as web sized images (800 pixels longest side) on CD or emailed as well as 3 full size, hires images of your choice. Sitting Fee, \$225.00 plus post production & CD, \$195.00 (any extra full size hires images available at \$35 each)

\$420.00

Package Customisation

Terms:

Package payment to be made at time of sitting. All portrait packages include a licence to allow the purchaser to print or use for self promotion or social networking etc. This licence allows the purchaser non-exclusive use of the images. Licence is non-transferable. You may not represent the images as your own. Copyright remains with Paul Stieller Photographics..

All photographic work undertaken by Paul Stieller Photographics is produced using 'Standard Photographic Terms & Conditions of Engagement' recommended by New Zealand Professional Photography organisations of AIPA & NZIPP & based on a creative fee, post production fee, & usage (licensing) fee.

Standard licensing terms specific to model/portrait portfolios require a model release form allowing the photographer to retain the right to use an image for promotion of his/her own work in a way that is not derogatory to the subject. The advantages of rights managed licensing include protection from sub-standard work & unprotected or miss-use of the images.

About Paul Stieller Photographics:

Paul Stieller is a New Plymouth based location photographer, specialising in advertising, commercial, & portrait photography.

“With over two & a half decades of experience in landscape & location photography, Paul is currently specializing in advertising and industrial imagery covering the oil exploration, shipping, & farming industries as well as the human side of portrait photography. An artful documentary approach can reveal the heart and soul of even the most common subject. There is always a fresh image to be made with impact and depth across a wide spectrum of subjects from maritime, landscape, industrial or social portraiture.”
